Refurbishment – Prime Sark Opportunity

West coast location

Leasehold expires 30th September 2079

Available by arrangement

L'Hivernage Guest House presents a rare opportunity to acquire a substantial former hospitality property, vacant for over a decade and now requiring full modernisation, offering exceptional scope for redevelopment.

Formerly operated as a guest house, this open market property comprises a substantial detached building that has been vacant for in excess of 10 years and now requires comprehensive refurbishment throughout.

It presents an exciting opportunity to acquire, modernise and reconfigure the accommodation to suit individual requirements, whether re-establishing a hospitality business or creating a substantial private residence or alternative scheme, subject to any necessary consents.

Set within a clearly defined site extending to approximately 0.44 acres (1,800m²), subject to verification, the plot provides ample space and a degree of privacy, making it suitable for a range of uses including guest accommodation, a substantial private dwelling or a combination of both (subject to the necessary consents). The property is held leasehold with an expiry on 30th September 2079, with the potential to negotiate an extension with the Lessors, further enhancing its long-term appeal.

Hivernage Guest House

Planning permission is being sought with the intention to rebuild on a broadly like-for-like basis. The property was previously configured for guest accommodation with multiple bedrooms and shared facilities, including dining and communal areas, as illustrated in the existing plans.
